

Inclusion NB Award

On Friday, December 13th, the non-profit Inclusion NB held its annual luncheon at the Marco Polo Cruise Ship Terminal. At that time, the SCIC'S were recognized as "Inclusion Champions". Inclusion NB "creates opportunities for people with an intellectual or developmental disability and their families to live full and valued lives in all aspects of society. We work to ensure that all people have the option to choose the support they need to live meaningful lives and participate in their communities as valued and contributing members."
