UNIVERSITY OF LIMPOPO'S VISION STATEMENT

“To be a leading African University focused on the developmental needs of its communities and epitomising academic excellence and innovativeness.”

UNIVERSITY OF LIMPOPO'S MISSION STATEMENT

A University which responds actively:

- (a) To the development needs of its students, staff members and communities,
- (b) Through relevant and high quality higher education and training, research and engagement, and
- (c) In partnership and in collaboration with its different stakeholders.

UNIVERSITY OF LIMPOPO'S MOTTO

“Finding Solutions for Africa.”

HOW TO APPLY ONLINE FOR POSTGRADUATE QUALIFICATION

CATEGORY A: Current and Former UL students (with student number)

- Step 1: Login to I- Enabler (online facilities-www.ul.ac.za)
- Step 2: Go to Academic Application
- Step 3: View Application Rules and Click Accept
- Step 4: Go to School Attended
- Step 5: Select School Name and Save
- Step 6: Enter School Leaving Subjects
- Step 7: Go to Disabilities and Click None/ Select and Click Save
- Step 8: Go to submit application
- Step 9: Enter your Academic Preference Qualification/s (maximum of 2)
- Step 10: Save and Continue to Residence Application if required.

CATEGORY B: New Postgraduate Students (without student numbers)

- Step 1: Browse www.ul.ac.za by accurately typing the URL on your device address bar.
- Step 2: Once you have landed on UL website, Click Apply Now
- Step 3: Go to Online Application
- Step 4: View Application Rules and Click Accept
- Step 5: From there, follow the steps as indicated on the online application wizard
- Step 6: Before finalising your application, make sure that you have entered your qualification/s and that the system has issued a student number for you.

GENERAL RULES THAT APPLY FOR POSTGRADUATE ADMISSION

ADMISSION RULES FOR POSTGRADUATE CERTIFICATES, POSTGRADUATE DIPLOMAS AND HONOURS DEGREE STUDIES

G30

- 30.1 In addition to the rules in this Section, those contained under Section A (General Rules) and Section C (Rules for Postgraduate Study) also apply.
- 30.2 Admission criteria:
- 30.2.1 A relevant undergraduate qualification or equivalent.
- 30.2.2 At least 60% obtained as an average final mark in the appropriate major.
- Or
- 30.2.3 By special recommendation of the Faculty concerned.

ADMISSION RULES FOR MASTERS' DEGREE STUDY

G36

- 36.1 In addition to the rules in this Section, those contained under Section A (General Rules) and Section C (Rules for Postgraduate Study) also apply.
- 36.2 Admission criteria:
- 36.2.1 A relevant honours bachelor's degree or equivalent.
- 36.2.2 At least 60% obtained as an average final mark in the appropriate major learning programme.
- Or
- 36.2.3 By special recommendation of the Faculty concerned.
- 36.3 On the recommendation of the Faculty concerned, Senate may allow a student to do a masters degree in a programme or Faculty different from that in which he/she holds an honours degree.

ADMISSION RULES FOR DOCTORAL DEGREE STUDY

G53

- 53.1 In addition to the rules in this Section, those contained under Section A (General Rules) and Section C (Rules for Postgraduate Study) also apply.
- 53.2 Admission criteria:
- 5.3.2.1 A master's degree or equivalent qualification.
- 53.2.2 If a candidate does not have a master's degree, he/she may be admitted to the doctoral study provided that Senate through the recognition of prior learning (RPL) is satisfied that such a candidate has reached the standard of a master's degree.
- 53.3 Before a candidate is accepted for doctoral study, the Faculty concerned must be convinced that the candidate has sufficient knowledge of the field of study to be able to fulfil the requirements for the degree.

FACULTY OF HEALTH SCIENCES

SCHOOL OF HEALTH CARE SCIENCES

Postgraduate Diploma in Health Promotion

The course in Health Promotion and Education for Health aims to develop the ability of health, social work, agriculture, education and related workers at district, regional, provincial and national levels and those who will have the responsibility for planning, implementing and evaluating health promotion Programmes. The course will enable participants to acquire a broad understanding of the many facets which impact on promoting health and wellbeing, and to develop skills necessary for improving communication between service providers and communities, identifying needs, priorities, design appropriate educational materials, advocate and negotiate policies to strengthen community action, and implement empowering educational processes.

Course Design:

- (a) The Postgraduate Diploma in Health Promotion is an action-learning based full-time one year course with six residential teaching modules for the full-time programme.
- (b) Self-study segments supported by custom developed teaching materials form part of both curriculums.
- (c) Each residential teaching block will last for six days (Monday to Saturday).
- (d) Students must undertake a project based in their work setting/agencies working in their area of interest.

Admission Criteria:

- (a) Applicants must be in the possession of a bachelor's degree or equivalent in Health or related disciplines.
- (b) Priority will be given to those who have or will have:
 - The responsibility for planning, implementing and evaluating health promotion activities at district, regional and provincial level.
 - The responsibility for promotion of health and well-being in direct liaison with the community.

Duration

- (a) One year minimum
- (b) Two years maximum

Master of Nursing

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline.

Admission Requirements:

- (a) Applicants must be in possession of a 4 year basic degree in Nursing (BNurs) or post basic BNurs degree with an Honours degree in nursing (or equivalent);
- (b) Registration with South African Nursing Council as registered Nurse Practitioner.
- (c) An average of 60% in the major subjects.

Duration:

- (a) One year minimum
- (b) Three years maximum

Presentation of the Programme:

- (a) Students will be required to complete the one week research programme before taking on the research projects.
- (b) All research proposals will be registered with the University of Limpopo after approval by the relevant University Committee.

Master of Science in Dietetics

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline.

The student is required to produce a dissertation on a subject approved by the Head of the Department. An oral examination may be required.

Admission Requirements:

- (a) A relevant 4-year Bachelor's Degree or equivalent.
- (b) An average of 60% in the major subjects

Curriculum:

- (a) A dissertation must be submitted based on a topic approved by the Programme Manager and Senate.

Duration:

- (a) One year minimum
- (b) Three years maximum

Master of Optometry

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline.

Admission Requirements:

- (a) Candidates for the MOptom degree must possess a 4-year BOptom degree or its equivalent from a recognised institution.
- (b) The candidates may be required to have received at least a 60% pass in the BOptom degree in the subject for the master's dissertation.

Duration:

- (a) One year minimum
- (b) Three years maximum

Dissertation:

- (a) A research dissertation shall be submitted for assessment.

Master of Pharmacy

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice.

Discipline:

- (a) Pharmacology
- (b) Pharmaceutics

Admission Requirements:

- (a) A 4-year Bachelor's Degree or equivalent in Pharmacy.
- (b) An average of 60% in the major subjects

Duration:

- (a) One year minimum
- (b) Three years maximum

Dissertation:

- (a) The assessment consists of a dissertation in addition to which an oral or written assessment may be required, on a subject approved by the Programme Manager of the

relevant discipline.

- (b) Where a student is in possession of a BPharm degree, he may proceed directly to an MPharm degree the dissertation being submitted at least one year after obtaining the BPharm degree.

Master of Public Health

Disciplines:

- (a) Health Measurement
- (b) Health Policy and Management
- (c) Environmental and Occupational Health
- (d) Social and behaviour Sciences in Public Health

Admission Requirements:

- (a) A relevant Bachelor Honours degree or equivalent.
- (b) At least 60% in the relevant major subjects.
- (b) If Senate is satisfied that the candidate sufficiently qualify to pursue the programme envisaged for the degree of Master of Public Health, any of the following may be admitted as a candidate:
 - (i) The holder of a degree of Bachelor of Arts or Sciences with Honours in Nursing, Psychology or Sociology or in a field which in the opinion of the Senate is relevant to public health.
 - (ii) A graduate of any other university who has satisfied the Senate by means of a written or oral test (or both) or by means of any other mode of assessment to be determined from time to time by the Senate that he/she is qualified to undertake the line of study proposed or research (or both) required for the degree.

Duration:

- (a) One year minimum
- (b) Three years maximum

Mini-Dissertation:

- (a) A candidate shall submit a topic for the approval of the Senate before June of the first academic year of study.
- (b) A candidate may be permitted by the Senate to substitute a new topic for the research report before November of the first year

Master of Science in Medical Sciences

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice.

Disciplines:

- (a) Chemical Pathology
- (b) Haematology
- (c) Immunology
- (d) Medical Microbiology
- (e) Medical Genetics

Admission requirements:

- (a) A 4-year Bachelor's degree or equivalent in Medical Sciences or a 4-year Health Sciences related degree
- (b) An average of at least 60% in the relevant major subjects

Duration:

- (a) One year minimum
- (b) Three year's maximum

Doctor of Philosophy

The Doctoral degree programme is based on an original research project culminating in a thesis relevant to the discipline of choice.

Disciplines:

- (a) Chemical Pathology
- (b) Haematology
- (c) Immunology
- (d) Medical Microbiology
- (e) Medical Genetics
- (f) Nursing
- (g) Public Health

Admission requirements:

- (a) Applicants must be in possession of a relevant Masters degree.

Duration:

- (a) Two years minimum
- (b) Four years maximum

Thesis:

- (a) A thesis shall be submitted for assessment.

Doctor of Optometry

The Doctoral degree programme is based on an original research project culminating in a thesis relevant to the discipline.

Admission requirements:

- (a) Applicants must be in possession of a relevant Masters degree in an Optometry Discipline

Duration:

- (a) Two years minimum
- (b) Four years Maximum

Thesis:

- (a) A thesis shall be submitted for assessment.

Doctor of Pharmacy

The Doctoral degree programme is based on an original research project culminating in a thesis relevant to the discipline.

Admission requirements:

- (a) Applicants must be in possession of a relevant Masters degree in a Pharmacy Discipline.

Duration:

- (a) Two years minimum
- (b) Four years maximum

Thesis:

- (a) A thesis shall be submitted for assessment.

FACULTY OF HEALTH SCIENCES

SCHOOL OF MEDICINE

NON-SURGICAL DISCIPLINES

Master of Medicine in Anaesthesiology

Master of Medicine in Dermatology

Master of Medicine in Diagnostics Radiology

Master of Medicine in Family Medicine

Master of Medicine in Forensic Pathology

Master of Medicine in Internal Medicine

Master of Medicine in Obstetrics & Gynaecology

Master of Medicine in Paediatrics & Child Health

Master of Medicine in Psychiatry

Master of Medicine in Public Health Medicine

Master of Medicine in Radiation Oncology

Admission Requirements:

In order to be admitted to MMed degree course a candidate must:

- (a) Be in possession of MBChB or equivalent degree and be registered with the Health Professions Council of South Africa as a medical practitioner;
- (b) Be appointed to a Registrar's post recognised by the HPCSA. This post must be occupied for the full duration of registration as required under these rules;
- (c) Meet any other requirements that may be enunciated in the rules for the specific degree for which registration is requested.

Duration:

- (a) The duration of the MMed degrees will be a minimum of four years.
- (b) The maximum will be six years.

SURGICAL DISCIPLINES

Master of Medicine in General Surgery

Master of Medicine in Otorhinolaryngology

Master of Medicine in Plastic and Reconstructive Surgery

Admission Requirements:

In order to be admitted to MMed degree course a candidate must:

- (a) Be in possession of MBChB or equivalent degree and be registered with the Health Professions Council of South Africa as a medical practitioner;
- (b) Be appointed to a Registrar's post recognised by the HPCSA. This post must be occupied for the full duration of registration as required under these rules;
- (c) Meet any other requirements that may be enunciated in the rules for the specific degree for which registration is requested.

Duration:

- (a) The duration of the MMed degrees will be a minimum of five years
- (b) The maximum will be seven years.

FACULTY OF HUMANITIES

SCHOOL OF EDUCATION

The School of Education is primarily committed to rural regeneration, empowerment and development, through a lifelong learning approach to teaching and interdisciplinary research.

Postgraduate Certificate in Education in Further Education and Training Teaching (PGCE (FET Teaching))

The degree may be studied in the following disciplines:

- (a) Languages and Social Sciences:
English Studies or Sepedi (Sepedi to read as Northern Sotho/Sepedi) or Tshivenda or Xitsonga or Geography or History
- (b) Economic Management Sciences:
Accounting or Business Management or Economics.
- (c) Mathematics, Science & Technology:
Life Sciences or Mathematics or Physical Science (Chemistry/Physics) or Technology.
- (d) Languages and Life Orientation:
English Studies or Sepedi (Sepedi to read as Northern Sotho/Sepedi) or Tshivenda or Xitsonga AND Life Orientation.

Admission Requirements:

- (a) A candidate must have an approved Bachelor's Degree (360 credits) or appropriate Diploma (2 School related subjects).

Duration:

- (a) One year minimum
- (b) Two years maximum

Bachelor of Education Honours in Curriculum Studies (BEdHons (Curriculum Studies))

Admission Requirements:

- (a) The minimum admission requirements for the BEdHons degree, is a four-year professional teaching degree (in Senior phase and / or FET phase teaching) within the particular subject
OR
- (b) an appropriate Bachelor's degree (within appropriate subject area) and a recognised

UNIVERSITY OF LIMPOPO
**POSTGRADUATE
PROSPECTUS**

professional teaching qualification (in Senior phase and / or FET phase teaching) with an average of 60% pass mark in disciplinary area.

Duration:

- (a) Minimum one year.
- (b) Maximum two years

Bachelor of Education Honours in Educational Management (BEd Hons (Educational Management))

Admission Requirements:

- (a) The minimum admission requirements for the BEdHons degree, is a four-year professional teaching degree (in Senior phase and / or FET phase teaching) within the particular subject OR
- (b) an appropriate Bachelor's degree (within appropriate subject area) and a recognised professional teaching qualification (in Senior phase and / or FET phase teaching) with an average of 60% pass mark in disciplinary area.

Duration:

- (a) Minimum one year.
- (b) Maximum two years

Bachelor of Education Honours in Educational Studies (BEd Hons (Educational Studies))

Admission Requirements:

- (a) The minimum admission requirements for the BEdHons degree, is a four-year professional teaching degree (in Senior phase and / or FET phase teaching) within the particular subject OR
- (b) an appropriate Bachelor's degree (within appropriate subject area) and a recognised professional teaching qualification (in Senior phase and / or FET phase teaching) with an average of 60% pass mark in disciplinary area.

Duration:

- (a) Minimum one year
- (b) Maximum two years

Bachelor of Education Honours in Language Education (BEd Hons (Language Education))

Admission Requirements:

- (a) The minimum admission requirements for the BEd Hons degree, is a four-year professional teaching degree (in Senior phase and / or FET phase teaching) within the particular subject

OR

- (b) an appropriate Bachelor's degree (within appropriate subject area) and a recognised professional teaching qualification (in Senior phase and / or FET phase teaching) with an average of 60% pass mark in disciplinary area,
- (c) For candidates to enroll for the BEd Honours Degree in Language Education– they must have majored in English, Sepedi, Tshivenda or Xitsonga;

Duration:

- (a) Minimum one year
- (b) Maximum two years

Bachelor of Education Honours in Mathematics Education (BEd Hons (Mathematics Education))

Admission Requirements:

- (a) The minimum admission requirements for the BEdHons degree, is a four-year professional teaching degree (in Senior phase and / or FET phase teaching) within the particular subject
OR
- (b) an appropriate Bachelor's degree (within appropriate subject area) and a recognised professional teaching qualification (in Senior phase and / or FET phase teaching) with an average of 60% pass mark in disciplinary area.

Duration:

- (a) Minimum one year
- (b) Maximum two years

Bachelor of Education Honours in Science Education (BEd Hons (Science Education))

Admission Requirements:

- (a) The minimum admission requirements for the BEdHons degree, is a four-year professional teaching degree (in Senior phase and / or FET phase teaching) within the particular subject
OR
- (b) An appropriate Bachelor's degree (within appropriate subject area) and a recognised professional teaching qualification (in Senior phase and / or FET phase teaching) with an average of 60% pass mark in disciplinary area.

Duration:

- (a) Minimum one year
- (b) Maximum two years

UNIVERSITY OF LIMPOPO
**POSTGRADUATE

Duration:

- (a) One year full-time.
- (b) Maximum two years

Master of Education (MEd)

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice.

The degree may be studied in the following disciplines:

- (a) Adult Education
- (b) Curriculum Studies
- (c) Education

- (d) Language Education
- (e) Mathematics Education
- (f) Science Education
- (g) Technology Education

Admission Requirements:

- (a) A candidate must hold a relevant Bachelor of Education Honours Degree or PGDip (Education) and a research project.
- (b) The Candidate shall have majored in a subject in which he/she wishes to carry out research.
- (c) An average of 60% in the Honours qualification.

Duration:

- (a) One year minimum
- (b) Maximum three years

Master of Education in Mathematics Education (MEd (Mathematics Education))

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark.

Admission Requirements:

- (a) Candidate must be in possession of a BEd Honours in Mathematics
- (b) Preference will be given to candidate with teaching experience in Mathematics, but others may apply for available space.
- (c) An average of 60% in the Honours qualification.

Duration:

Minimum of one year and maximum of three years.

Master of Education in Science Education (MEd (Science Education))

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark.

Admission Requirements:

- (a) Candidate must be in possession of a BEd Honours in Physical Science or Biology.
- (b) An average of 60% in the Honours qualification.
- (b) Preference will be given to candidate with teaching experience in Biology and/or Physical Science

Duration:

Minimum of one year and maximum of three years.

Master of Education in Technology Education (MEd (Technology Education))

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark.

Admission Requirements:

- (a) Candidate must be in possession of a BEd Honours in Technology Education
- (b) An average of 60% in the Honours qualification.
- (b) Preference will be given to candidate with teaching experience in Technology Education, but others may apply for available space.

Duration:

Minimum of one year and maximum of three years.

Master of Education in Language Education (MEd (Language Education))

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark.

Admission Requirements:

- (a) A BEd Hons in Language Education
- (b) An average of 60% in the Honours qualification.

Duration:

Minimum of one year and maximum of three years.

Master of Education in Adult Education (MEd (Adult Education))

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark.

Admission Requirements:

- (a) A BEd Hons in Adult and Community Education
- (b) An average of 60% in the Honours qualification.

Duration:

- (a) Minimum of one year and maximum of three years.

Doctor of Philosophy (PhD)

The Doctoral degree programme is based on an original research project culminating in a thesis relevant to the discipline of choice.

The degree may be studied in the following disciplines:

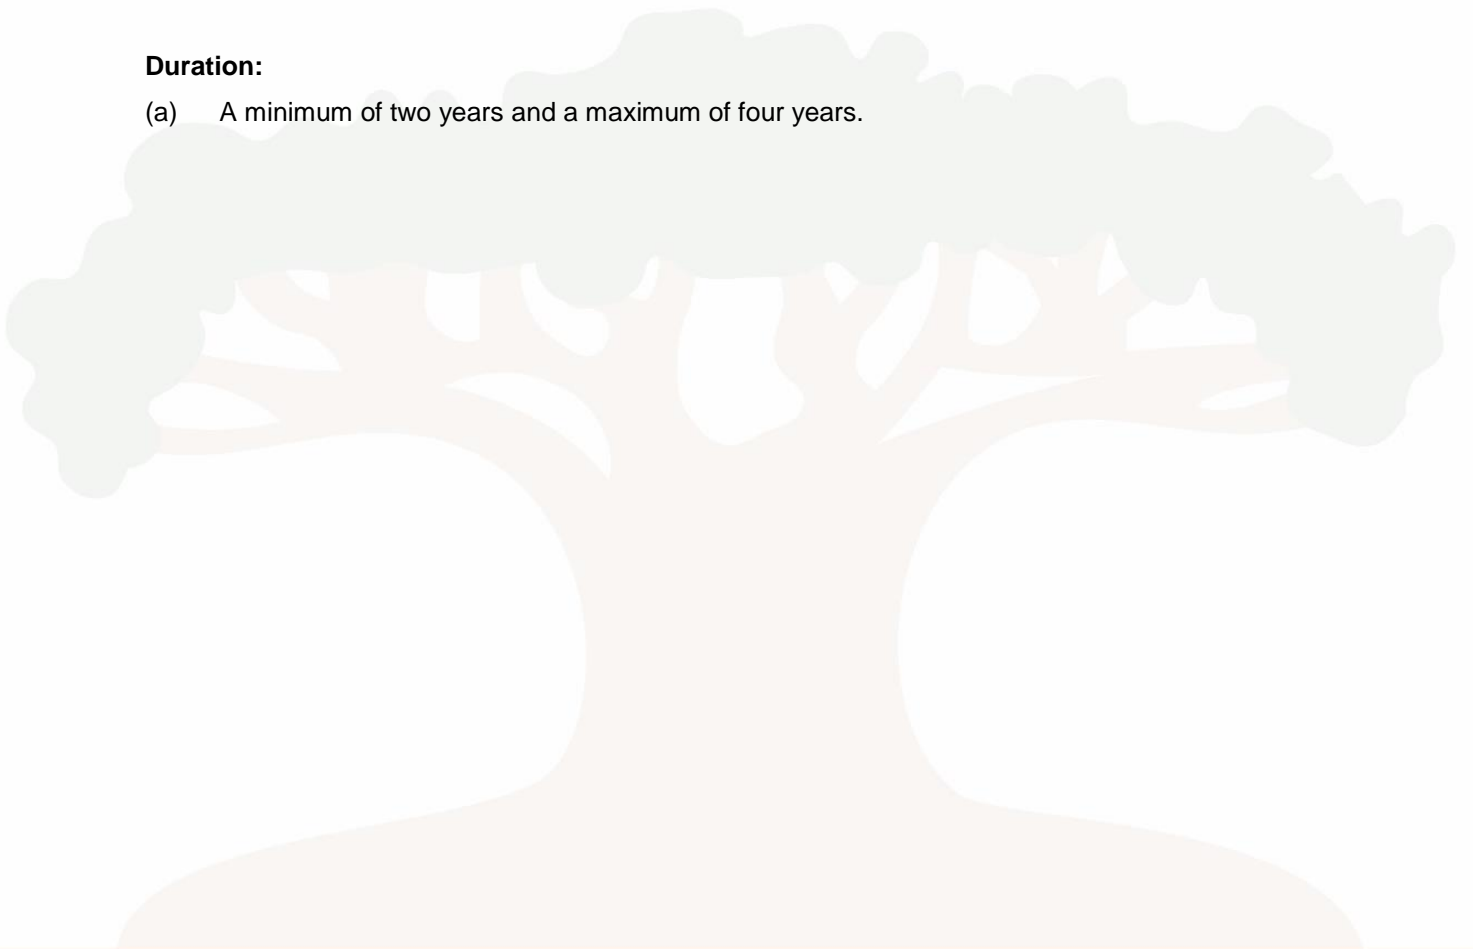

- (a) Adult Education
- (b) Curriculum Studies
- (c) Educational Administration
- (d) Educational Psychology
- (e) Educational Studies
- (f) Language Education
- (g) Mathematics Education
- (h) Science Education
- (i) Technology Education

Admission Requirements:

- (a) A candidate must hold a Master of Education Degree or the Bachelor of Education Honours Degree and an approved Master's Degree.

Duration:

- (a) A minimum of two years and a maximum of four years.

FACULTY OF HUMANITIES

SCHOOL OF LANGUAGES & COMMUNICATION STUDIES

The School of Languages & Communication Studies trains, educates, and serves the people of the Limpopo Province, the country - and beyond - by providing quality programmes in a multicultural context in languages and communication studies.

Postgraduate Diploma in Information Studies (PGDip (Information Studies))

- (a) A relevant Bachelor's Degree in Information Studies or related disciplines with NQF exit level 7

Duration:

- (a) Minimum of one year and maximum of two years.

Bachelor of Arts Honours (BA Hons)

The degree may be studied in the following disciplines:

- (a) Communication Studies
- (b) English Studies
- (c) Applied Language and Multilingual Studies
- (d) Media Studies
- (e) Northern Sotho
- (f) Translation Studies and Linguistics
- (g) Tshivenda
- (h) Xitsonga

Admission Requirements:

- (a) Candidate must be in possession of a relevant Bachelor's Degree in which at least sixty percent (60%) has been obtained in the final formal assessment (examination) of the appropriate subject.
- (b) Candidate who does not meet this requirement may be admitted to the Honours study on the special recommendation or screening process of the Head of Department and the Executive Dean concerned with the approval of Senate.

Duration:

- (a) Minimum of one year and maximum of two years.

Master of Arts in African Languages

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark.

Admission Requirements:

- (a) An Honours Degree in an African Language with an average of 60%.
OR
(b) Recommendation after an interview/screening process where less than 60% was obtained.

Duration:

Minimum of one year and maximum of three years.

Master of Arts in English Studies

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark.

The degree may be studied in the following areas:

- a) Literature
b) Language

Admission Requirements:

An Honours Degree in English with an average of 60% in Literature, Language or the combination thereof.

Duration:

Minimum of one year and maximum of three years.

Master of Arts in Translation Studies & Linguistics

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark.

Admission Requirements:

A candidate must be in possession of a Bachelor Honours Degree in a relevant subject with a

mark of 60% for the relevant major, or recommendation after the interview in courses where 60% is not achieved.

Duration:

- (a) Minimum of one year and maximum of three years.

Master of Arts (MA)

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice.

Admission Requirements:

- (a) A candidate must be in possession of a Bachelor Honours Degree in a relevant subject or recommendation after the interview in courses where 60% is not achieved.

The degree may be studied in the following disciplines:

- (a) Communication Studies
- (b) English Studies
- (c) Media Studies
- (d) Northern Sotho
- (e) Tshivenda
- (f) Xitsonga

Duration:

- (a) Minimum of one year with a maximum of three years.

Master of Information Studies (MInf)

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice.

Admission Requirements:

- (a) A 4-year Bachelor of Information Studies Degree or equivalent.
- (b) An average of 60% in the Honours qualification.

Duration:

- (a) Minimum of one year and maximum of three years.

Doctor of Philosophy (PhD)

The Doctoral degree programme is based on an original research project culminating in a thesis relevant to the discipline of choice.

The degree may be studied in the following disciplines:

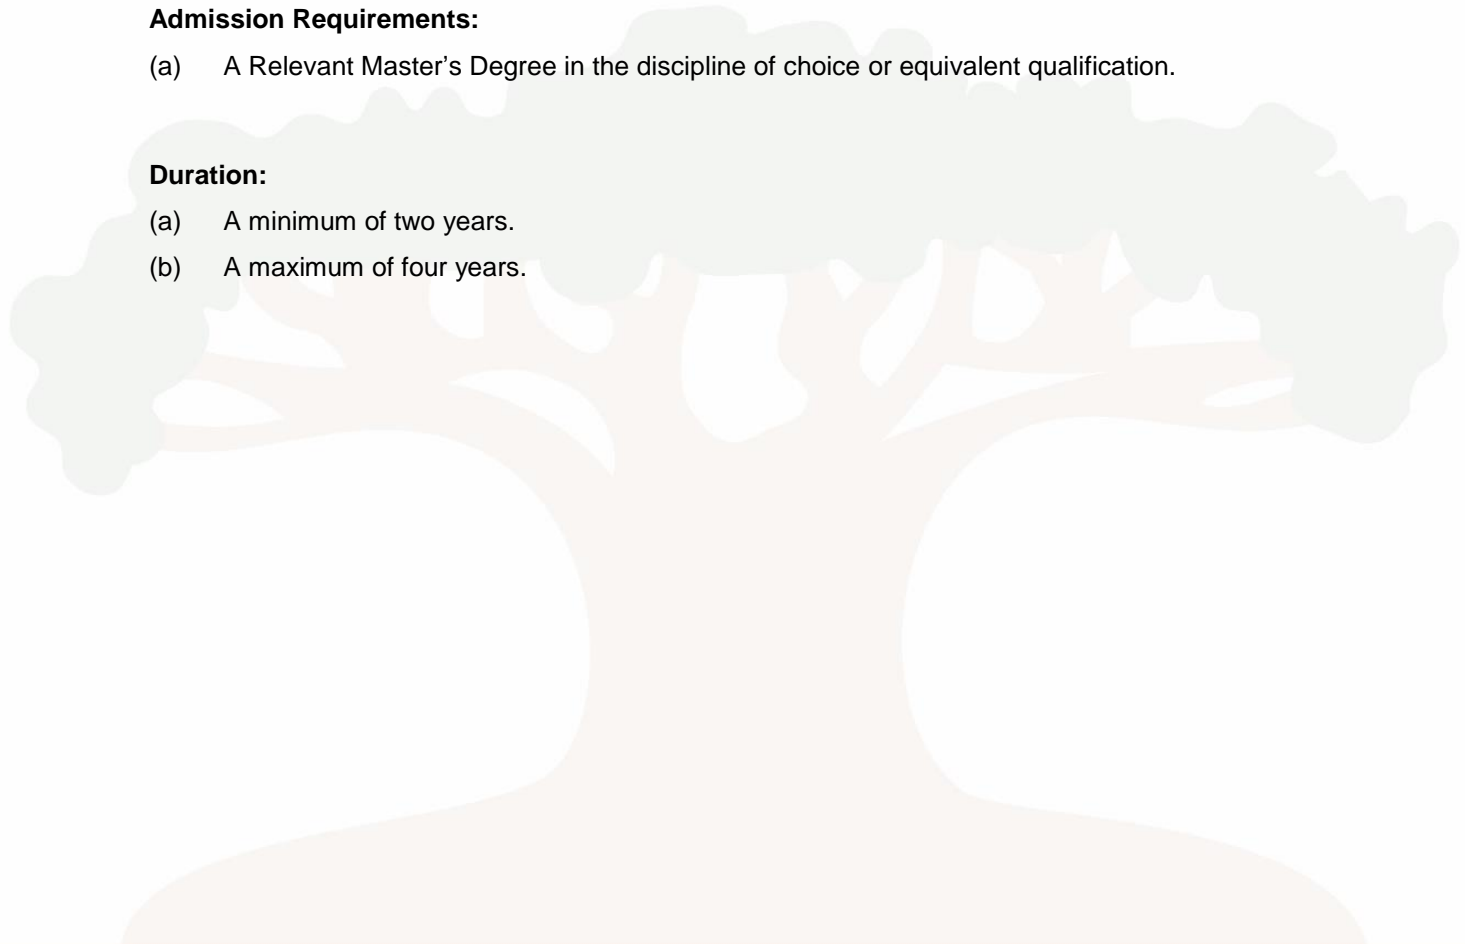

- (a) Communication Studies
- (b) English Studies
- (c) Media Studies
- (d) Northern Sotho
- (e) Translation Studies
- (f) Tshivenda
- (g) Xitsonga

Admission Requirements:

- (a) A Relevant Master's Degree in the discipline of choice or equivalent qualification.

Duration:

- (a) A minimum of two years.
- (b) A maximum of four years.

FACULTY OF HUMANITIES

SCHOOL OF SOCIAL SCIENCES

The School of Social Sciences aims to train an intellectual and academic professional cadre, to conduct relevant research, and to foster community renewal in such a way that people experience human dignity at grass roots level.

Bachelor of Arts Honours (BA Hons)

The degree may be studied in the following disciplines:

- (a) Anthropology
- (b) Criminology
- (c) History
- (d) International Politics
- (e) Philosophy
- (f) Political Science
- (g) Psychology
- (h) Sociology

Admission Requirements:

- (a) A candidate must be in possession of Bachelor's Degree within the disciplinary area of choice or prior learning as determined by the Department and School concerned, and approved by the Faculty.
- (b) A mark of 60% for the major subject

Duration:

- (a) One year minimum and two years maximum

Master of Arts in Folklore Studies

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark.

Admission Requirements:

- (a) A relevant Bachelor of Arts Honours Degree or equivalent.
- (b) An average of 60% in the Honours qualification.

Duration:

- (a) One year minimum and a maximum of three years.

Master of Arts in Clinical Psychology

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark.

Admission Requirements:

- (a) An Honours Degree in Psychology or Bachelor of Psychology (BPsych) and a personal interview.
- (b) An average of 60% in the Honours qualification.

Duration:

- (a) One year minimum and a maximum of three years.

Master of Arts (MA)

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice.

The degree may be studied in the following disciplines:

- (a) Anthropology
- (b) Criminology
- (c) Folklore Studies
- (d) History
- (e) International Politics
- (f) Philosophy
- (g) Political Science
- (h) Psychology
- (i) Sociology

Admission Requirements:

- (a) A candidate must be in possession of a Bachelor Honours Degree in a relevant subject or recommendation after the interview in courses where 60% is not achieved.

Duration:

- (a) A minimum of one year and a maximum of three years.

Master of Arts (MA)

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice.

Admission Requirements:

- (a) A candidate must be in possession of a Bachelor of Social Work Degree or equivalent at NQF level 8.
- (b) An average of 60% in the Honours qualification.

Duration:

- (a) A minimum of one year and a maximum of three years.

Doctor of Philosophy (PhD)

The Doctoral degree programme is based on an original research project culminating in a thesis relevant to the discipline of choice.

The degree may be studied in the following disciplines:

- (a) Anthropology
- (b) Criminology
- (c) Folklore Studies
- (d) History
- (e) International Politics
- (f) Philosophy
- (g) Political Science
- (h) Psychology
- (i) Social Work
- (j) Sociology

Admission Requirements:

- (a) A Relevant Master's Degree or equivalent qualification.

Duration:

- (a) A minimum of two years.
- (b) A maximum of four years.

**FACULTY OF MANAGEMENT & LAW
SCHOOL OF ACCOUNTANCY**

Postgraduate Diploma in Accountancy (PGDip (Accountancy))

This programme has been recognised by SAICA as a CTA programme

Admission Requirements:

- (a) Completion of recognised SAICA accredited Bachelors qualification (NQF level 7 or 8) with 55% in Financial Accounting and an overall average of 55% in all four main courses passed (preferably at the same year), or Equivalent.

Duration:

- (a) Minimum of one year
- (b) Maximum of two years

Bachelor of Commerce Honours in Accountancy (BCom Hons (Accountancy))

The degree may be conferred in the following programs:

- (a) Accounting (BCTA)
- (b) Public Finance Accounting

Admission Requirements:

- (a) A Bachelor's Degree or equivalent with Major subjects being in Accountancy.
- (b) Applicants must obtain at least 60 % in the final course of Accounting.
- (c) Where the minimum requirement of 60 % was not obtained the student can be admitted to the study only with a special recommendation from the program HOD.

Duration:

- (a) Minimum of one year and a maximum of two years

Master of Commerce (MCom)

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice.

The degree may be conferred in the following subject:

UNIVERSITY OF LIMPOPO
**POSTGRADUATE
PROSPECTUS**

- (a) Accounting

Admission Requirements:

- (a) Applicants must be in a possession of an Honours degree or equivalent in Accountancy or related Disciplines and submit a suitable research proposal.
- (b) An average of 60% in the Honours qualification.

Duration:

- (a) Minimum of one year and maximum of three years

Doctor of Commerce (DCom)

The Doctoral degree programme is based on an original research project culminating in a thesis relevant to the discipline.

A thesis dealing with a subject in the fields of:

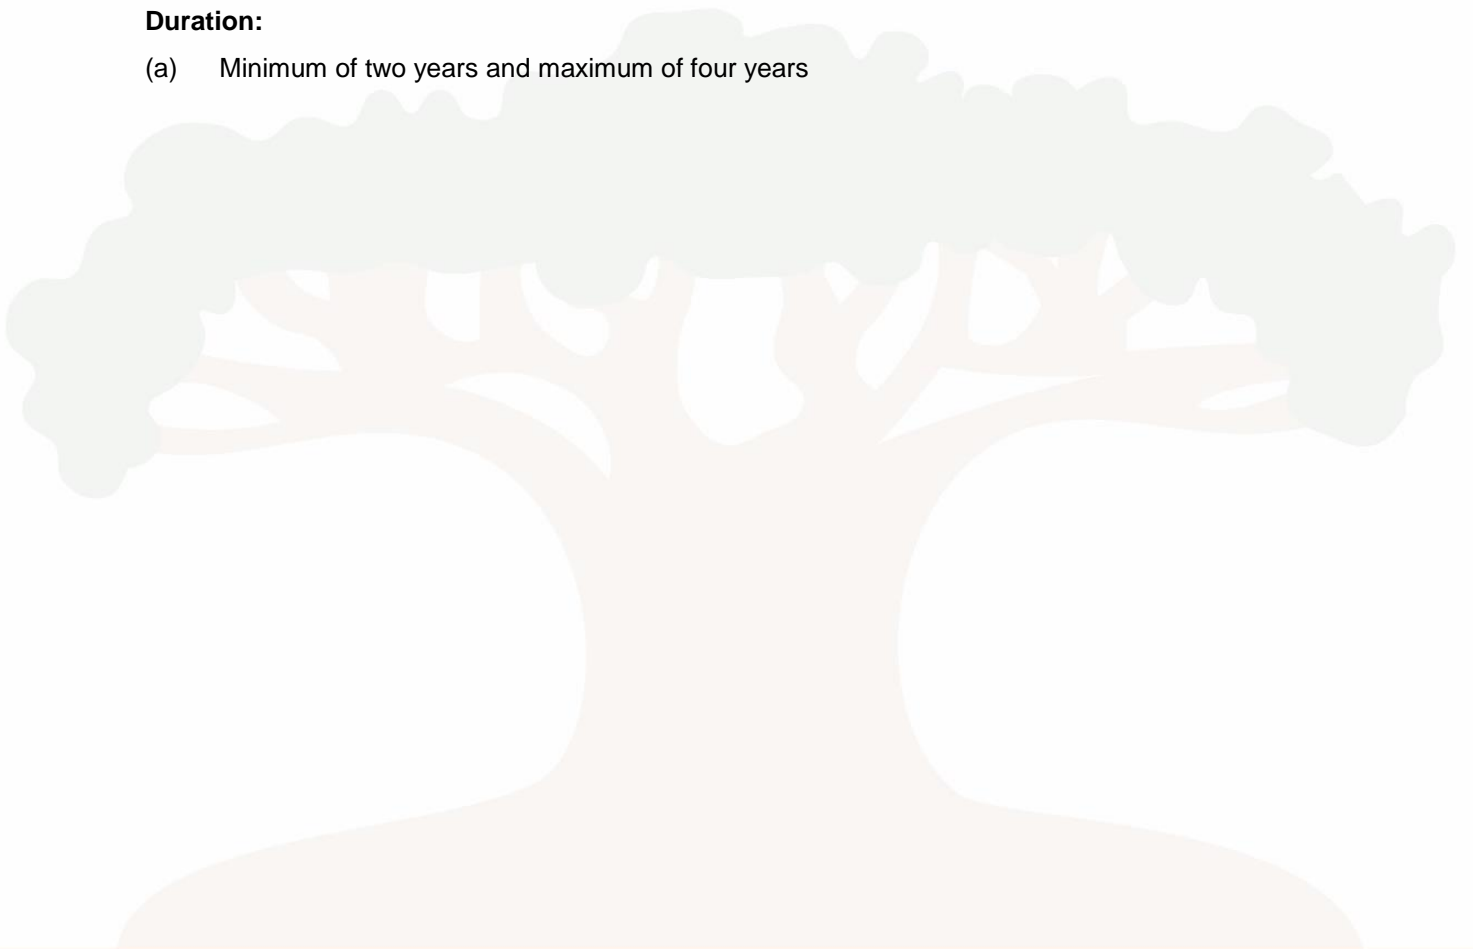

- (a) Accounting

Admission Requirements:

- (a) Applicants must be in a possession of a Masters degree in the program that he/she wants to study and submit a suitable research proposal.

Duration:

- (a) Minimum of two years and maximum of four years

FACULTY OF MANAGEMENT & LAW

SCHOOL OF ECONOMICS & MANAGEMENT

Bachelor of Commerce Honours in Economics (BCom Hons (Economics))

Admission Requirements:

- (a) A Bachelor's Degree or equivalent majoring in Economics
- (b) Applicants must obtain at least 60 % average in the Final Year Economics modules.
- (c) Where the minimum requirement of 60 % was not obtained the student can be provisionally admitted to the study only with a special recommendation from the program HOD.

Duration:

- (a) Minimum of one year and maximum of three years.

Bachelor of Commerce Honours in Business Management (BCom Hons (Business Management))

Admission Requirements:

- (a) A Bachelor's Degree or equivalent with Business management as a Major.
- (b) Applicants must obtain at least 60 % average in the final modules of Business Management
- (c) Where the minimum requirement of 60 % was not obtained the student can be provisionally admitted to the study only with a special recommendation from the program HOD.

Duration:

- (a) Minimum of one year and maximum of two years.

Bachelor of Commerce Honours in Human Resource Management (BCom Hons(Human Resource Management))

Admission Requirements:

- (a) A Bachelor's Degree or equivalent majoring in Human Resource Management.
- (b) Applicants must obtain at least 60 % average in the final year Human Resource Management Modules
- (c) Where the minimum requirement of 60 % was not obtained the student can be provisionally admitted to the study only with a special recommendation from the program HOD.

Duration:

- (a) Minimum of one year and maximum of three years

Bachelor of Development Honours in Planning & Management (BDevHons (Planning & Management))

Admission Requirements:

- (a) A relevant Bachelor's Degree at NQF level 7, as approved by the HOD of Development Management.
- (b) Applicants must obtain at least 60% in the final course of the qualifying subject.
- (c) Where the minimum requirement of 60 % was not obtained the student can be provisionally admitted to the study only with a special recommendation from the program HOD.

Duration:

- (a) Minimum of one year and maximum of two years.

Bachelor of Administration Honours in Public Administration (B Admin Hons (Public Administration))

Admission Requirements:

- (a) A Relevant Bachelor's Degree at NQF level 7.
- (b) Applicants must obtain at least 60 % in the final course of the subject in which he/she intends to do the Honours study.
- (c) Where the minimum requirement of 60 % was not obtained the student can be provisionally admitted to the study only with a special recommendation from the program HOD.

Duration:

- (a) Minimum of one year and a maximum of two years.

Master of Commerce (MCom)

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice.

The Research degree may be conferred in the following subjects:

- (a) Economics
- (b) Business Management
- (c) Human Resource Management

Admission Requirements:

- (a) Applicants must be in a possession of an honours degree in the program that he/she wants to study.
- (b) An average of 60% in the Honours qualification.

Duration:

- (a) Minimum of one year and maximum of three years.

Master of Development in Planning and Management (MDev (Planning & Management))

The Master's degree programme is offered as a research masters' programme culminating in a dissertation.

Admission Requirements:

- (a) Applicants must be in possession of at least an honours degree in the program that he/she wants to study.
- (b) An average of 60% in the Honours qualification.

Duration:

- (a) Minimum of one year and maximum of three years.

Master of Public Administration and Management (MPAM)

The Master's degree programme is offered as a research masters' programme culminating in a dissertation.

Admission Requirements:

- (a) Applicants must be in possession of at least an honours degree in the program that he/she wants to study.
- (b) An average of 60% in the Honours qualification.

Duration:

- (a) Minimum of one year and maximum of three years.

Doctor of Commerce (DCom)

The Doctoral degree programme is based on an original research project culminating in a thesis relevant to the discipline of choice.

A thesis dealing with a subject in the fields of:

- (a) Economics
- (b) Business Management
- (c) Human Resource Management

Admission Requirements:

- (a) Applicants must be in a possession of a Masters degree in the program that he/she wants to study.

Duration:

- (a) Minimum of two years and maximum of four years.

Doctor of Administration (DAdmin)

The Doctoral degree programme is based on an original research project culminating in a thesis relevant to the discipline of choice.

A thesis dealing with a subject in the fields of:

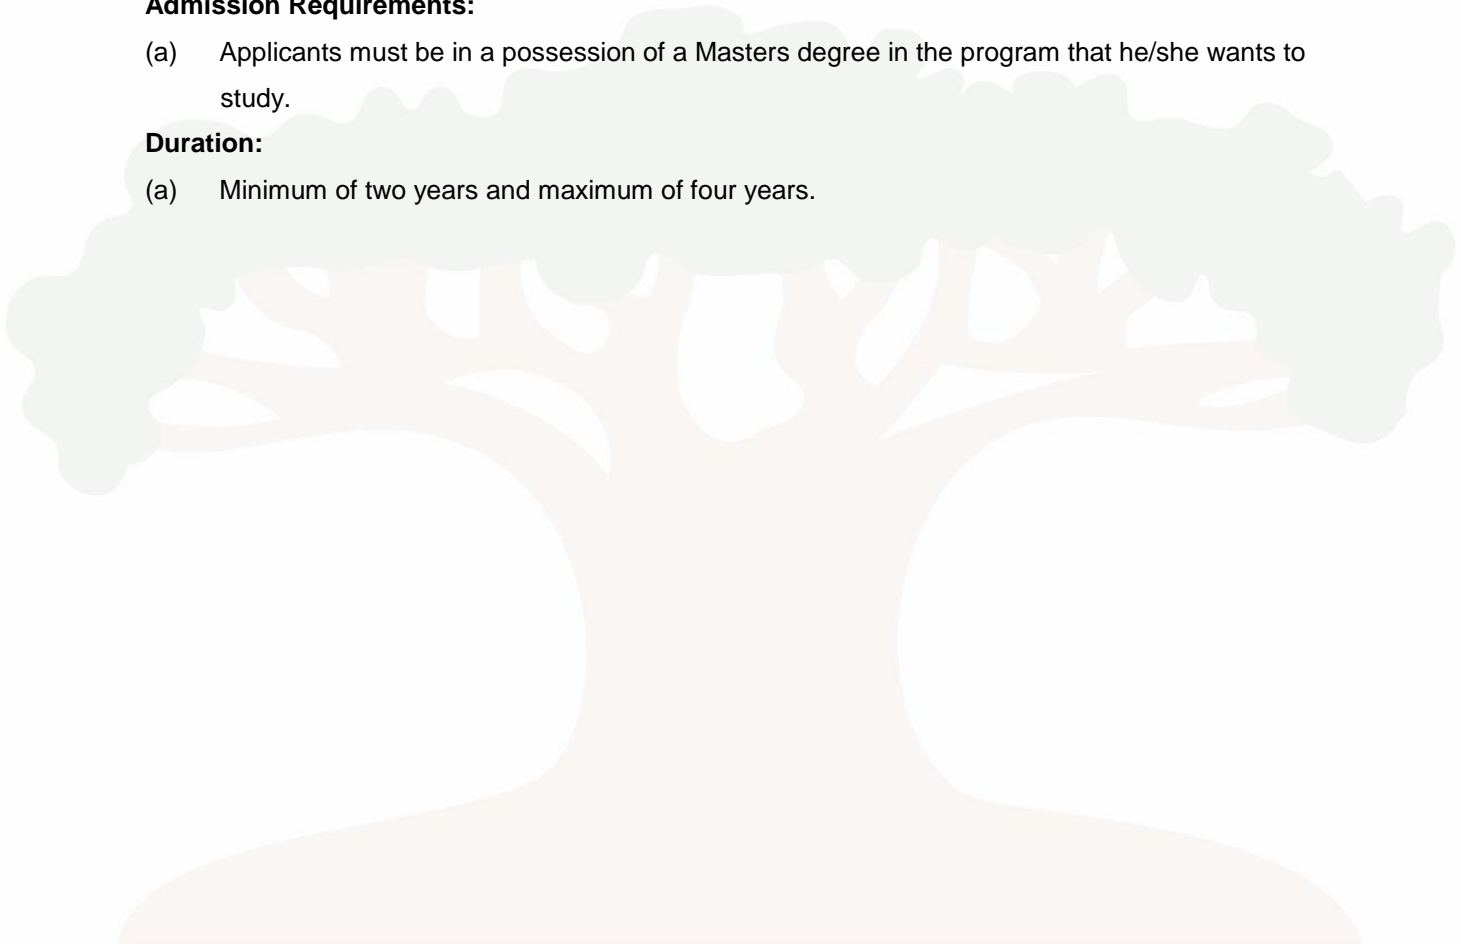

- (a) Development Planning & Management
- (b) Public Administration

Admission Requirements:

- (a) Applicants must be in a possession of a Masters degree in the program that he/she wants to study.

Duration:

- (a) Minimum of two years and maximum of four years.

FACULTY OF MANAGEMENT & LAW

SCHOOL OF LAW

The School of Law has made a significant contribution to the legal fraternity in South Africa over the previous years. It has, amongst others, produced esteemed judges and advocates like judges BM Ngoepe (the Judge President of Transvaal Provincial Division), P Mojapelo (Deputy President of Transvaal Provincial Division), Y Mokgoro (Judge of the Constitutional Court), L Mailula (Judge of the High Court), to name a few. The School has produced leaders in politics and business in the public and private sectors.

All the programmes offered in this School are intended to enrich a candidate's background on various laws.

Master of Laws in Labour Law (LLM (Labour Law))

This is a taught masters' degree that includes a research component.

Admission Requirements:

- (a) Application for admission to the MBA Programme is subject to strict evaluation and selection is based on the candidate's academic achievements, experience, attitude and motivation for further study.
- (b) At least an Honours Degree or equivalent at NQF Level 8.
- (c) An average of 60% in the Honours qualification.
- (d) A letter from their employer confirming that they will be allowed to attend classes.
- (e) Matriculation Mathematics or any qualification in Mathematics or Statistics which is deemed appropriate by the Selection Committee for MBA applicants.

Duration:

- (a) The programme is offered over a minimum of a one year period and a maximum of three years.

Master of Development in Planning and Management (MDev (Planning and Management))

This is a taught masters' degree with a mini-dissertation contributing at least 50% towards the final mark.

Admission Requirements:

- (a) Application for admission to the MDev (Planning and Management) Programme is subject to strict evaluation and selection is based on the candidate's academic achievements, experience, attitude and motivation for further study.
- (b) At least a Honours Degree or equivalent at NQF level 8.
- (c) An average of 60% in the Honours qualification.
- (d) Candidates are also required to submit a letter from their employer confirming that they will

be allowed to attend classes.

Duration:

- (a) The programme is offered over a one year period minimum and three years maximum.

Master of Public Administration and Management (MPAM)

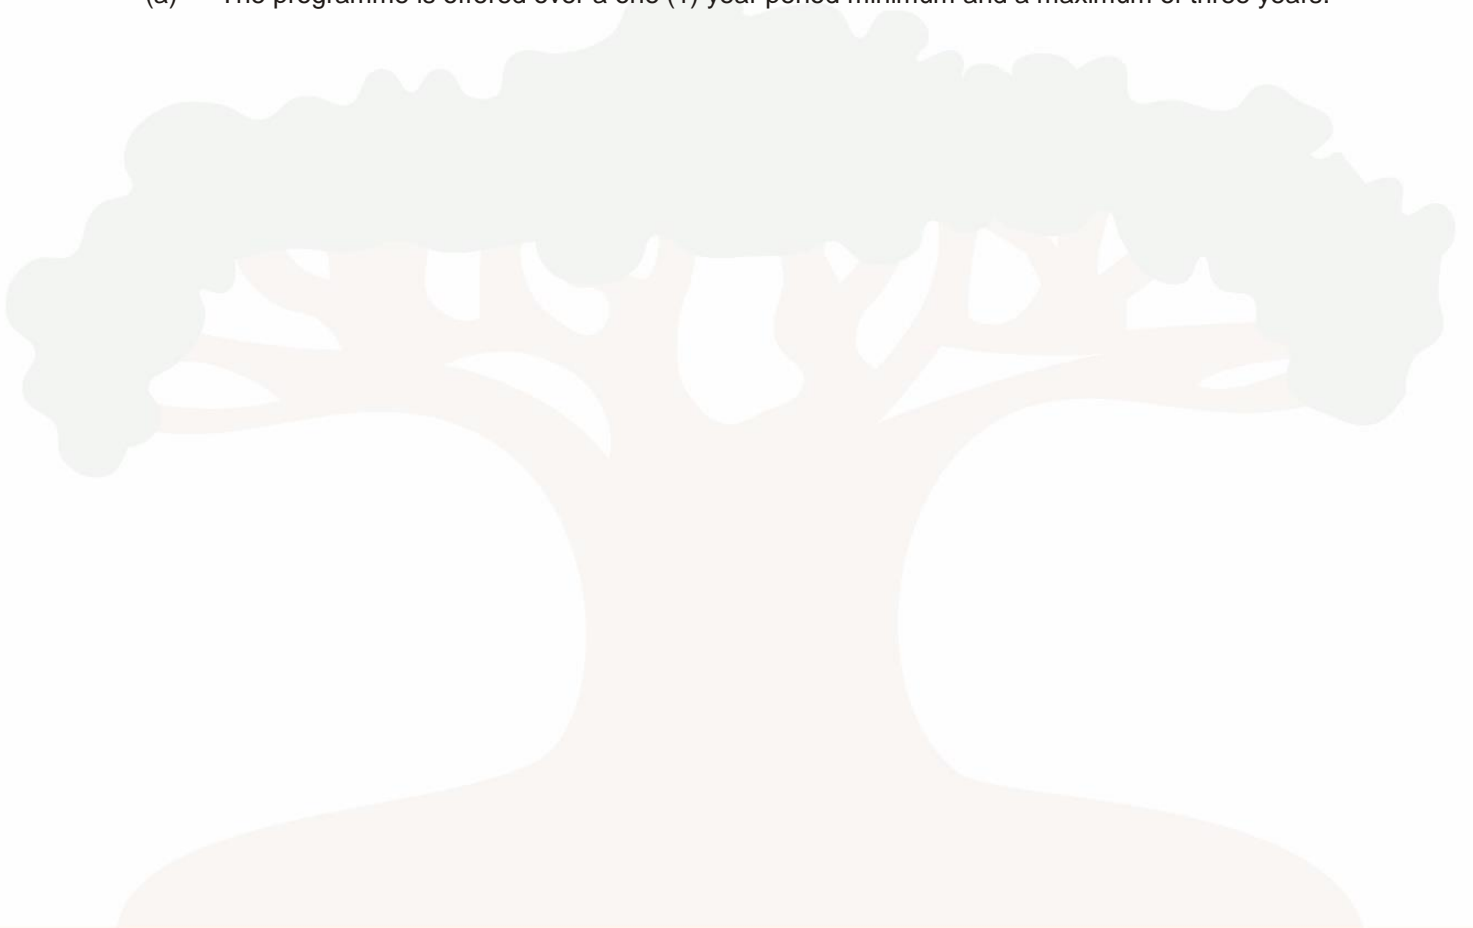

This is a taught masters' degree with a mini-dissertation contributing at least 50% towards the final mark.

Admission Requirements:

- (a) Application for admission to the MPA Programme is subject to strict evaluation and selection is based on the candidate's academic achievements, experience, attitude and motivation for further study.
- (b) At least a Honours Degree or equivalent NQF level 8 qualification in Public Administration or related field.
- (c) An average of 60% in the Honours qualification.
- (d) Candidates are also required to submit a letter from their employer confirming that they will be allowed to attend classes.

Duration:

- (a) The programme is offered over a one (1) year period minimum and a maximum of three years.

FACULTY OF SCIENCE & AGRICULTURE

SCHOOL OF AGRICULTURAL & ENVIRONMENTAL SCIENCES

Bachelor of Agricultural Management Honours (BAgrMan Hons)

Disciplines:

- (a) Agricultural Economics
- (b) Animal Production
- (c) Plant Production
- (d) Agriculture Extension

Admission Requirements:

- (a) A relevant Bachelor's or equivalent qualification.
- (b) An average of 60% in the relevant major subject

Duration:

- (a) Minimum one year.
- (b) Maximum two years.

Bachelor of Science Honours (BSc Hons)

The Honours Degree programmes consists of a research project and four theory modules relevant to the discipline of choice.

Disciplines:

- (a) Aquaculture
- (b) Geography

Admission Requirements:

- (a) A relevant Bachelor's or equivalent qualification in terms of NQF level.
- (b) 60% in the major subjects

Duration:

- (a) Minimum one (1) year
- (b) Maximum two (2) years

Master of Agricultural Management (MAgricMan)

The Master's Degree Programme is offered as a Research Masters' Programme culminating in a Dissertation relevant to the discipline of choice.

Disciplines:

- (a) Agricultural Economics
- (b) Animal Production
- (c) Plant Production
- (d) Agricultural Extension

Admission Requirements:

- (a) A relevant Honours or a four year equivalent NQF level 8 qualification degree, with at least 60% average, in the appropriate major learning programme or with special recommendation by the Head of the Department or applying the RPL Policy.

Duration:

- (a) Minimum one (1) year.
- (b) Maximum three (3) years.

Master of Science in Agricultural Economics (MSc (Agricultural Economics))

This is a taught masters' degree with a mini-dissertation contributing at least 50% towards the final mark.

Admission Requirements:

- (a) A relevant BSc Agric or a four year equivalent degree with specialisation in Agricultural Economics or related discipline, with an average of at least 60%, or applying the RPL Policy.

Duration:

- (a) Minimum one (1) year.
- (b) Maximum three (3) years.

Master of Science in Animal Production (MSc (Animal Production))

This is a taught masters' degree with a mini-dissertation contributing at least 50% towards the final mark.

Admission Requirements:

- (a) A relevant BSc Agric or a four year equivalent degree with specialisation in Animal production or related discipline, with an average of at least 60%, or by applying the RPL Policy.

Duration:

- (a) Minimum one (1) year.
- (b) Maximum three (3) years.

Master of Science in Agronomy (MSc (Agronomy))

This is a taught masters' degree with a mini-dissertation contributing at least 50% towards the final mark.

Admission Requirements:

- (a) A relevant BSc Agric or a four year equivalent degree with specialisation in Plant production or related discipline, with an average of at least 60%, or by applying the RPL Policy.

Duration:

- (a) Minimum one (1) year.
- (b) Maximum three (3) years.

Master of Science in Horticulture (MSc (Horticulture))

This is a taught masters' degree with a mini-dissertation contributing at least 50% towards the final mark.

Admission Requirements:

- (a) A relevant BSc Agric or a four year equivalent degree with specialisation in Plant production or related discipline, with an average of at least 60%, or by applying the RPL Policy.

Duration:

- (a) Minimum one (1) year.
- (b) Maximum three (3) years.

Master of Science in Pasture Science (MSc (Pasture Science))

This is a taught masters' degree with a mini-dissertation contributing at least 50% towards the final mark.

Admission Requirements:

- (a) A relevant BSc Agric or a four year equivalent degree with specialisation in Plant/Animal production or related discipline, with an average of at least 60%, or by applying the RPL Policy.

Duration:

- (a) Minimum one (1) year.
- (b) Maximum three (3) years.

Master of Science in Soil Science (MSc (Soil Science))

This is a taught masters' degree with a mini-dissertation contributing at least 50% towards the final mark.

Admission Requirements:

- (a) A relevant BSc Agric or a four year equivalent degree with specialisation in Soil Science or related discipline, with an average of at least 60%, or by applying the RPL Policy.

Duration:

- (a) Minimum one (1) year.
- (b) Maximum three (3) years.

Master of Science in Plant Protection (MSc (Plant Protection))

This is a taught masters' degree with a mini-dissertation contributing at least 50% towards the final mark.

Admission Requirements:

- (a) A relevant BSc Agric or a four year equivalent degree with specialisation in Plant production or related discipline, with an average of at least 60%, or by applying the RPL Policy.

Duration:

- (a) Minimum one (1) year.
- (b) Maximum three (3) years.

Master of Science (MSc)

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice.

Disciplines:

- (a) Aquaculture
- (b) Geography

Admission Requirements:

- (a) A BSc Hons Degree or its equivalent at NQF level 8 in the appropriate disciplinary area, with an average of at least 60%.
- (b) On special recommendation, including application of the RPL policy and strategy of the University of Limpopo and after consultation with and approval by the Head of Department.
- (c) In addition to those requirements above, the skills profile of potential students will be assessed and they may be required to qualify themselves with additional competencies as deemed to be essential by the Department.

Duration:

- (a) Minimum one (1) year
- (b) Maximum three (3) years.

Doctor of Philosophy (PhD)

The Doctoral degree programmes is based on an original research project culminating in a thesis relevant to the discipline of choice.

Disciplines:

- (a) Agricultural Economics
- (b) Agricultural Extension
- (b) Aquaculture
- (c) Animal Production
- (d) Geography
- (e) Plant Production
- (f) Soil Science

Admission Requirements:

- (a) A relevant Masters' degree or equivalent qualification in relevant disciplinary area.
- (b) On special recommendation, including application of the RPL policy and strategy of the University of Limpopo and after consultation with and approval by the Head of Department.
- (c) In addition to those requirements above, the skills profile of potential students will be assessed and they may be required to qualify themselves with additional competencies as deemed to be essential by the Department.

Duration:

- (a) Minimum two (2) years.
- (b) Maximum four (4) years.

FACULTY OF SCIENCE & AGRICULTURE

SCHOOL OF MATHEMATICAL & COMPUTER SCIENCES

The School strives for excellence through research and providing the necessary skills required by the public and private sectors for the development of the country. It offers honours, masters and doctorates as indicated in the following pages.

Bachelor of Science Honours (BSc Hons)

The Honours Degree programmes consists of a research project and four theory modules relevant to the discipline of choice.

Disciplines:

- (a) Applied Mathematics
- (b) Computer Science
- (c) Mathematics
- (d) Statistics

Admission Requirements:

- (a) A BSc Hons Degree or its equivalent at NQF level 8 in the appropriate disciplinary area.
- (b) An average of 60% in the relevant major subject.
- (c) On special recommendation, including application of the RPL policy and strategy of the University of Limpopo and after consultation with and approval by the Head of Department.
- (d) On special recommendation, including application of the RPL Policy and Strategy of the University of Limpopo, and after consultation with and approval by the Head of Department.

Duration:

- (a) Minimum one (1) year
- (b) Maximum two (2) years.

Master of Science (MSc)

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice.

Disciplines:

- (a) Applied Mathematics
- (b) Computer Science

- (c) Mathematics
- (d) Statistics

Admission Requirements:

- (a) A BSc Hons Degree or its equivalent at NQF level 8 in the appropriate disciplinary area, with an average of at least 60%.
- (b) On special recommendation, including application of the RPL policy and strategy of the University of Limpopo and after consultation with and approval by the Head of Department.
- (c) In addition to those requirements above, the skills profile of potential students will be assessed and they may be required to qualify themselves with additional competencies as deemed to be essential by the Department.

Duration:

- (a) Minimum one (1) year
- (b) Maximum three (3) years.

Master of Science in eScience (MSc (eScience))

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark. This course is offered as part of a collaboration with other Universities.

Admission Requirements:

- (a) A BSc Hons Degree or its equivalent specialising in relevant disciplines such as mathematics, statistics and computer science with a 60% average.
- (b) On special recommendation, including application of the RPL policy and strategy of the University of Limpopo and after consultation with and approval by the Head of Department.
- (c) In addition to those requirements above, the skills profile of potential students will be assessed and they may be required to take additional modules should the need be identified.

Duration:

- (a) Minimum one (1) year
- (b) Maximum three (3) years.

Master of Science in Applied Mathematics (MSc (Applied Mathematics))

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark.

Admission Requirements:

- (a) A BSc Hons Degree or its equivalent specialising in applied mathematics with a 60% average.
- (b) On special recommendation, including application of the RPL policy and strategy of the University of Limpopo and after consultation with and approval by the Head of Department.
- (c) In addition to those requirements above, the skills profile of potential students will be assessed and they may be required.

Duration:

- (a) Minimum one (1) year
- (b) Maximum three (3) years.

Master of Science in Mathematics (MSc (Mathematics))

This is a taught Masters' programme culminating in a mini-dissertation that carries 50% of the final mark.

Admission Requirements:

- (b) A BSc Hons Degree or its equivalent specialising in mathematics with a 60% average.
- (b) On special recommendation, including application of the RPL policy and strategy of the University of Limpopo and after consultation with and approval by the Head of Department.
- (c) In addition to those requirements above, the skills profile of potential students will be assessed and they may be required

Duration:

- (c) Minimum one (1) year
- (d) Maximum three (3) years.

Doctor of Philosophy (PhD)

The Doctoral degree programmes is based on an original research project culminating in a thesis relevant to the discipline of choice.

Disciplines:

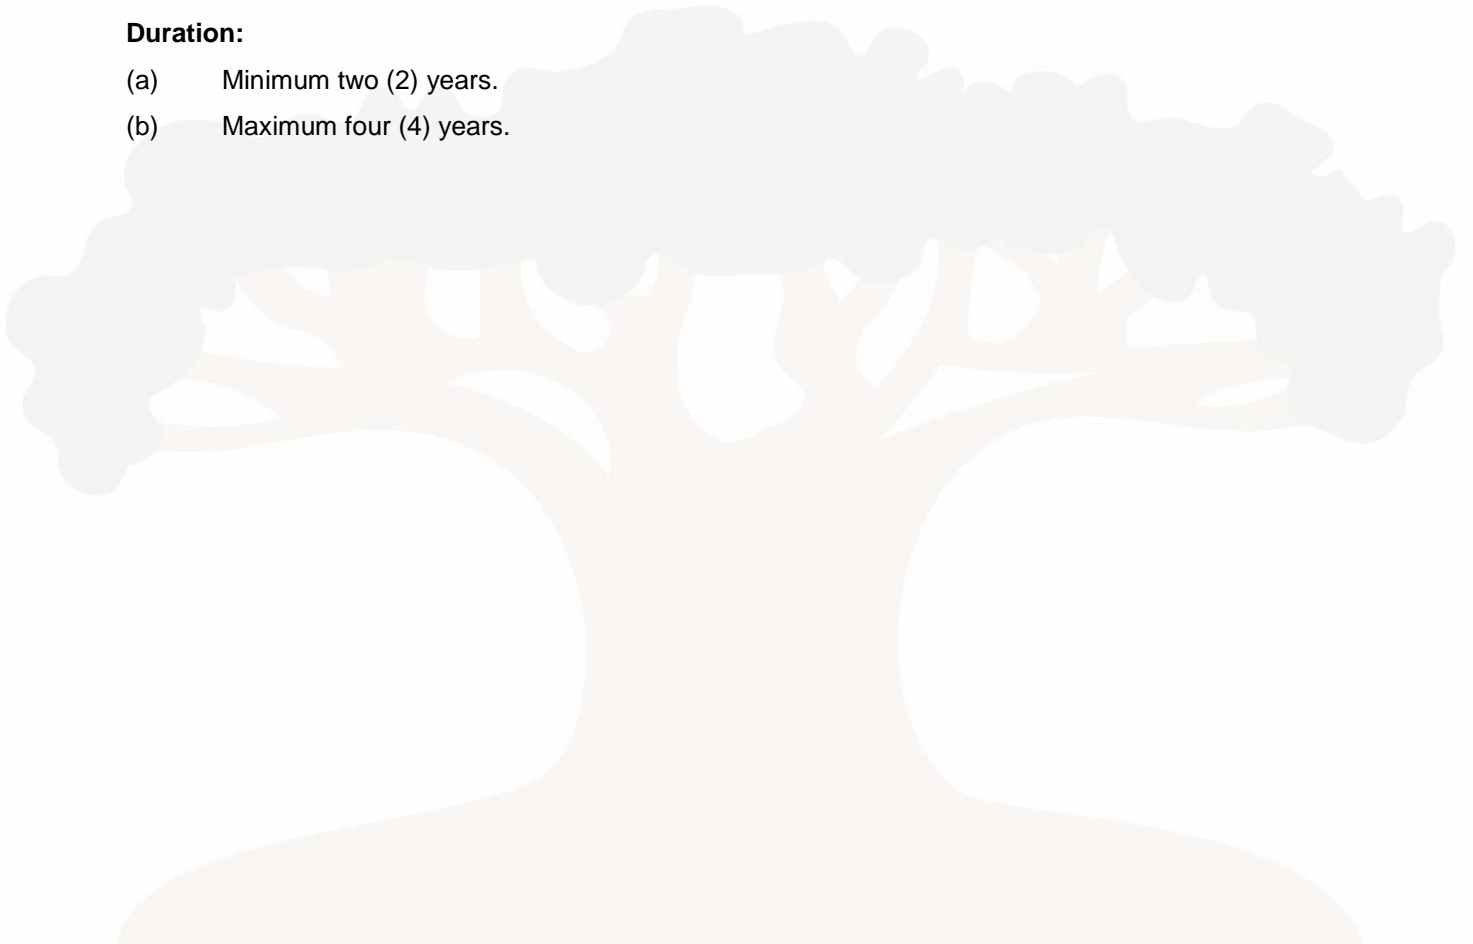

- (a) Applied Mathematics
- (b) Computer Science
- (c) Mathematics
- (d) Statistics

Admission Requirements:

- (a) A relevant Masters' degree or equivalent qualification in relevant disciplinary area.
- (b) On special recommendation, including application of the RPL policy and strategy of the University of Limpopo and after consultation with and approval by the Head of Department.
- (c) In addition to those requirements above, the skills profile of potential students will be assessed and they may be required to qualify themselves with additional competencies as deemed to be essential by the Department.

Duration:

- (a) Minimum two (2) years.
- (b) Maximum four (4) years.

FACULTY OF SCIENCE & AGRICULTURE

SCHOOL OF MOLECULAR & LIFE SCIENCES

Bachelor of Science Honours (BSc Hons)

The Honours Degree programmes consists of a research project and four theory modules relevant to the discipline of choice.

Disciplinary Areas:

- (a) Biochemistry
- (b) Botany
- (c) Microbiology
- (d) Physiology & Environmental Health
- (e) Zoology

Admission Requirements:

- (a) A BSc Hons Degree or its equivalent at NQF level 8 in the appropriate disciplinary area.
- (b) An average of 60% in the relevant major subject.
- (c) On special recommendation, including application of the RPL policy and strategy of the University of Limpopo and after consultation with and approval by the Head of Department.
- (d) On special recommendation, including application of the RPL Policy and Strategy of the University of Limpopo, and after consultation with and approval by the Head of Department.

Duration:

- (c) Minimum one (1) year
- (d) Maximum two (2) years.

Master of Science (MSc)

The Master's Degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice with an average of at least 60%.

Disciplines:

- (a) Biochemistry
- (b) Botany
- (c) Microbiology
- (d) Physiology and Environmental Health
- (e) Zoology

UNIVERSITY OF LIMPOPO
**POSTGRADUATE
PROSPECTUS**

Admission Requirements:

- (a) A BSc Hons degree in the discipline in which the student wants to do an MSc degree and preferably with a minimum of 60% average mark in the BSc Hons degree.
- (b) On special recommendation, including application of the RPL policy and strategy of the University of Limpopo and after consultation with and approval by the Head of Department.
- (c) In addition to those requirements above, the skills profile of potential students will be assessed and they may be required to qualify themselves with additional competencies as deemed to be essential by the Department.

Duration:

- (a) Minimum one (1) year.
- (b) Maximum three (3) years.

Doctor of Philosophy (PhD)

The Doctoral degree programmes is based on an original research project culminating in a thesis relevant to the discipline of choice.

Disciplines:

- (a) An MSc degree in the discipline in which the student wants to do a PhD degree and preferably with a minimum of 60% average mark in the MSc degree.
- (b) On special recommendation including application of the RPL policy and strategy of the University of Limpopo and after consultation with and approval by the Head of Department.
- (c) In addition to those requirements above, the skills profile of potential students will be assessed and they may be required to qualify themselves with additional competencies as deemed to be essential by the Department.

Duration:

- (a) Minimum period of two (2) years.
- (b) Maximum period of four (4) years.

**FACULTY OF SCIENCE & AGRICULTURE
SCHOOL OF PHYSICAL & MINERAL SCIENCES**

Bachelor of Science Honours (BScHons)

The Honours Degree programmes consists of a research project and four theory modules relevant to the discipline of choice.

Disciplines:

- (a) Chemistry
- (b) Geology
- (c) Physics

Admission Requirements:

- (a) A BSc degree with major(s) in courses in the discipline area in which a student wants to study and a final average mark for the relevant final year major(s) of at least 60%.
- (b) A candidate who does not meet the above requirement may be admitted on special recommendation, after consultation with and approval by the Head of Department. In such cases, a mid-year progress report from the Head of Department will determine continuation in the programme.
- (c) On special recommendation, including application of the RPL Policy and Strategy of the University of Limpopo, and after consultation with and approval by the Head of Department.

Duration:

- (a) One (1) year minimum
- (b) Two (2) years maximum

Bachelor of Science Honours in Geology

The above Honours Degree Programme consists of a Research Project and four Theory Modules relevant to the discipline of choice.

Admission Requirements:

- (a) A BSc degree with major(s) in courses in Geology and a final average mark for the relevant

final year major(s) of at least 60%.

- (b) A candidate who does not meet the above requirement may be admitted on special recommendation, after consultation with and approval by the Head of Department. In such cases, a mid-year progress report from the Head of Department will determine continuation in the programme.
- (c) On special recommendation, including application of the RPL Policy and Strategy of the University of Limpopo, and after consultation with and approval by the Head of Department.

Duration:

- (a) One (1) year minimum
- (b) Two (2) years maximum

Bachelor of Science Honours in Mining Geology

The above Honours degree programme consists of a research project and four theory modules relevant to the discipline of choice.

Admission Requirements:

- (a) A BSc degree with major(s) in courses in Geology and a final average mark for the relevant final year major(s) of at least 60%.
- (b) A candidate who does not meet the above requirement may be admitted on special recommendation, after consultation with and approval by the Head of Department. In such cases, a mid-year progress report from the Head of Department will determine continuation in the programme.
- (c) On special recommendation, including application of the RPL Policy and Strategy of the University of Limpopo, and after consultation with and approval by the Head of Department.

Duration:

- (a) One (1) year minimum
- (b) Two (2) years maximum

Bachelor of Science Honours in Mineral Processing and Ore Beneficiation

The above Honours degree programme consists of a research project and four theory modules relevant to the discipline of choice.

UNIVERSITY OF LIMPOPO
**POSTGRADUATE
PROSPECTUS**

Admission Requirements:

- (a) A BSc degree with major(s) in courses in Geology and a final average mark for the relevant final year major(s) of at least 60%.
- (b) A candidate who does not meet the above requirement may be admitted on special recommendation, after consultation with and approval by the Head of Department. In such cases, a mid-year progress report from the Head of Department will determine continuation in the programme.
- (c) On special recommendation, including application of the RPL Policy and Strategy of the University of Limpopo, and after consultation with and approval by the Head of Department.

Duration:

- (a) One (1) year minimum
- (b) Two (2) years maximum

Postgraduate Diploma in Science Communication (PGDip (Science Communication))

The Postgraduate Diploma programme consists of taught modules which include practical application aspects.

Admission Requirements:

- (a) Completion of Bachelors qualification (NQF level 7) or Equivalent, which includes Science or Science Education. and/or Communication related (e.g. Communication, Media Studies, Journalism etc.) qualifications

Duration:

- (c) One (1) year minimum
- (d) Two (2) years maximum

Master of Science (MSc)

The Master's degree programme is offered as a research masters' programme culminating in a dissertation relevant to the discipline of choice with an average of at least 60%.

Disciplines:

- (a) Chemistry
- (b) Geology
- (c) Physics

Admission Requirements:

- (a) A BSc Hons Degree or its equivalent at NQF level 8 in the appropriate disciplinary area.
- (b) On special recommendation, including application of the RPL policy and strategy of the University of Limpopo and after consultation with and approval by the Head of Department.
- (c) In addition to those requirements above, the skills profile of potential students will be assessed and they may be required to qualify themselves with additional competencies as deemed to be essential by the Department.

Duration:

- (a) Minimum one (1) years.
- (b) Maximum three (3) years.

Doctor of Philosophy (PhD)

The Doctoral degree programme is based on an original research project culminating in a thesis relevant to the discipline of choice.

Disciplines:

- (a) Chemistry
- (b) Geology
- (c) Physics

Admission Requirements:

- (a) An MSc degree in the discipline in which the student wants to do a PhD degree and preferably with a minimum of 60% average mark in the MSc degree.
- (b) On special recommendation, including application of the RPL Policy and Strategy of the University of Limpopo, and after consultation with and approval by the Head of Department.
- (c) In addition to those requirements above, the skills profile of potential students will be assessed and they may be required to qualify themselves with additional competencies as deemed to be essential by the Department.

Duration:

- (a) Minimum period of two (2) years.
- (b) Maximum period of four (4) years.
